

THE DISTINGUISHED GENTLEMAN'S DRIVE

SUNDAY 28TH OF SEPTEMBER 2025

WELCOME TO THE DISTINGUISHED GENTLEMAN'S DRIVE

The Distinguished Gentleman's Drive is a celebration of classic style. The 2025 drive will be taking place on Sunday, September 28th. It is an on-road motoring event, uniting classic cars 40 years or older, designed to encourage enthusiasts and vintage car owners around the world to dress dapper and drive for men's health.

Funds raised by our Distinguished Gentlefolk support our charity partner, Movember. These funds are invested in vital research and programs for prostate cancer and men's mental health to support the well-being of men all around the world. The Distinguished Gentleman's Drive is a themed event, where drivers and their passengers dress dapper to complement the elegant design of their vehicles.

HOW TO GET YOUR CLUB INVOLVED

As more clubs are interested in partnering with The Distinguished Gentleman's Drive we have provided a guide on how to get involved. If you are a member or part of the committee in a local car club with members that have an eligible vehicle please read the helpful tips in how to associate with our event.

Save The Date

The easiest way is simply to add this as an event in the club's calendar. The date for the next event is the 28th of September 2025 and will continue to be the last Sunday of September annually.

Host A Club Drive

Your club can join by hosting its own drive. We can cater for multiple drives in a city and this will be a public drive for members and non-members to join as well.

Endorse the DGD

In addition to saving the date, we encourage clubs who do not wish to host a drive to mark this as a Club Endorsed Event.

Host A Cars & Coffee

If you would like to host an event but would prefer to keep it off the road, we have introduced the Cars & Coffee event type to The Distinguished Gentleman's Drive. Simply encourage your club members to dress dapper and enjoy a coffee with their classics.

THE DISTINGUISHED GENTLEMAN'S DRIVE

SUNDAY 28TH OF SEPTEMBER 2025

CAR CLUB FAQs

What do I need to do to host a club drive?

We require all hosts to complete the Host A Drive form. Once complete and if it meets our criteria one of the team will send an onboarding email to our internal Drive Admin system. A dedicated Club Representative will be assigned as the main Drive Host and be our main point of contact. Once you have completed our Host Guidelines, you will then be able to self-manage all aspects of the drive. This includes adding any additional co-hosts from your club.

How do we endorse The Distinguished Gentleman's Drive?

To get started simply complete the form on the website. One of the team will get in contact and ensure we have all the relevant details for your club. We will provide additional media and assets for you to share with your members and on your club website.

What is the difference between a Club Drive and a Flagship Drive?

Flagship drives are held by drivers who may look to host a larger public event. Club drives are for official club representatives who wish to invite their club members to join the event. Once the page is set up, you will receive a sharable link to your drive page, where members can sign up directly. Flagship drives are hosted by drivers outside of your club, and can be endorsed by your club. This means your members will be able to represent your club along with other classic car owners in your city. This is a great way to bring in new potential members, and engage with the extended car community in your city. Flagship drives may reach capacity sooner, so should you wish to take part in one, ensure your members register early.

Is there a fee associated to join or host a drive?

The Distinguished Gentleman's Drive aims to raise as much funds as possible for Movember. Drives around the world help us reach this goal, and with some electing for a minimum donation at registration. There is no fee required from clubs to be involved with our event.

What support does The Distinguished Gentleman's Drive provide to a club / host?

All hosts have access to our online platform "Drive Admin", which enables them to connect to the participants of their drive. This platform also helps with the planning of your drive, uploading your route and registering possible local sponsors. We also take on all responsibility for creating and developing all marketing assets and branding with a comprehensive pack provided to all hosts. On top of this, The Distinguished Gentleman's Drive team is accessible through email, phone, or WhatsApp to support you at any time.

Our club is for cars of all ages; can all our members join the drive?

The DGD is for classic cars 40 years or older only, to make sure the event remains a certain style. It is however a great opportunity to invite other members to join as a passenger in a classic car to enjoy the day together. More information on vehicle eligibility can be found at <https://www.gentlemansdrive.com/vehicles>.

What makes a Distinguished Gentleman's Drive Event?

For driving events, we ask from our hosts to select a start point and end point that primarily offers safe parking for all participating cars, and ideally offers facilities that add to the comfort of the participants (eg. Sanitary facilities, and availability of food and beverages). In between these points we encourage you to offer a great driving experience to those who join you, showing them the best roads you can think of. For Cars & Coffee events, you will need to consider the above, excluding and point, route, and fuel stops. We encourage you to bring the DGD theme with participants dressing dapper, music, and of course, coffee.

Are The Distinguished Gentleman's Drive events organized by clubs covered by insurance?

The Distinguished Gentleman's Drive is covered by a worldwide Global Public Liability Insurance Policy. Each registered host has access to the global insurance certificate, and the policy is managed by our brokers Arthur J Gallagher. The insurers are Zurich Insurance Australia Limited, Zurich American Insurance Company & Zurich Insurance Company Limited. This is subject to the club agreeing to our guidelines.
